ARTS ACCESS GRANT
Guidelines

The Delaware Division of the Arts awards small grants to support the presentation of performing, visual, literary, media, or folk arts in communities throughout the state. The Arts Access Grant provides program support to organizations that offer occasional arts programs and to organizations that do not meet the eligibility criteria for the Division’s General Operating Support and Project Support categories.

Arts Access Program Goals

Arts Access funding is available for arts projects that accomplish one or more of the following:

- Provide experiences of artistic merit and integrity for the public
- Involve collaborations between artists or arts organizations and community and civic groups, government entities, or social service agencies
- Reach audiences and participants with limited access to the arts or to a particular art form
- Provide lifelong learning opportunities in the arts beyond the school setting
- Offer opportunities for the creation of new works of art
- Support arts programs in new or non-traditional venues
- Provide opportunities for artistic expression of a community’s unique history, culture, or circumstances
- Provide opportunities for conservation, documentation, and appreciation of the artistic traditions of diverse cultures and communities

Eligibility

To be eligible to apply for an Arts Access Grant, applicants must:

Applicants may include arts organizations, community-based non-arts organizations, schools, libraries, parks, etc.

- Schools are eligible to apply only if the proposed project takes place after school hours and is open to and promoted to the community at large.
- The Division will not accept applications through fiscal agents.
- No individual may compile or submit an application on behalf of an organization if that individual is a member or relative of a member of the Delaware State Arts Council or Division staff

Grant Awards and Match

Applicants may request up to 80 percent of the eligible cash expenses, as defined below, not to exceed $1,000. Matching funds must be cash and may not come from the National Endowment for the Arts. Awards may be less than the requested amount, and some projects may not receive support. Proposals may be funded at less than the requested amount, or not at all. Prior funding does not guarantee future support.
