GENERAL OPERATING SUPPORT Interim Application Guidelines — Fiscal Year 2019

The Delaware Division of the Arts awards General Operating Support grants to Delaware arts organizations in support of their annual operating expenses to ensure that year-round participation in the arts is available to the people of Delaware.

Three-year Application Cycle

The General Operating Support Application follows a three-year cycle. A multi-year application cycle permits grantees, as well as the Division, to focus more attention on the delivery of programs and services and less on the preparation, processing, and review of grant applications. Organizations approved for General Operating Support demonstrate a history of programming, service to their community, and management of their operations that provides confidence that a similar level of service or activity may be sustained over a three-year period without requiring a full application and review each year.

The Division uses a staggered, multi-year application cycle for General Operating Support. Organizations seeking General Operating Support must submit a Full Application in the “on year,” and Interim Applications in the “off years.” Grant awards for the second and third years will be determined by applying a funding formula to updated financial information submitted in the “off year” Interim Application. A list of all anticipated FY2019 GOS applicants and their assigned application types for the current application cycle can be downloaded [here](#).

Eligibility

To be eligible for General Operating Support, applicants must:

1. Have the promotion, presentation, production, and/or teaching of the arts as their primary purpose as outlined in their charter, incorporation papers, bylaws, and IRS nonprofit determination letter.
2. Have a stable, functioning board of directors that meets at least quarterly.
3. Be based and chartered in Delaware as a nonprofit organization; exempt from federal income tax under Section 501(c)(3) or 501(c)(4) or 509(a) of the Internal Revenue Code; and eligible to receive donations allowable as charitable contributions under Section 170(c) of the Internal Revenue Code of 1954.
4. Have total operating income of more than \$16,000 for the last completed fiscal year.

Please note the following restrictions:

- The Division will not accept applications through fiscal agents.
- No individual may compile or submit an application on behalf of an organization if that individual is a member or relative of a member of the Delaware State Arts Council or Division staff.

New arts organizations must successfully complete the Division of the Arts StartUp Program before applying for General Operating Support, Education Resource, or Arts Stabilization Fund grants.

Grant Awards

Applicants should not expect the funding to be exactly the same each year of the three-year cycle. Grant awards are re-calculated annually from a formula and panel review process that encompass the following: a satisfactory review of application materials and on-site evaluations, actual operating expenses/income as reported in the application and IRS materials, the number of organizations in the applicant pool, and available state and federal funds. Because of these variable factors, grant awards are likely to fluctuate from year to year. In addition, prior funding does not guarantee future funding.

The Division of the Arts retains the right to reduce or rescind a grant award during the grant period if the grantee is found not to be in compliance with state and/or federal grant requirements, or if funding (state or federal) is reduced during the fiscal year.

Grant-in-Aid

The Division of the Arts was created by the Delaware General Assembly to serve as the principal mechanism for supporting the arts in Delaware. Arts organizations seeking General Operating Support from the state are expected to apply for support through the Division.

The Division will notify the Delaware Controller General's Office and the General Assembly Joint Finance Committee of all organizations that apply to the Division for General Operating Support. Any arts organization receiving general operating support through other state mechanisms, including Grant-in-Aid, may see an impact in Division funding.

Grant Period

Funding awarded in the FY2019 grant cycle must be spent on activities that occur between September 1, 2018, and August 31, 2019.

Application Deadline and Filing

The deadline for the General Operating Support Interim Application is **4:30 pm on March 1, 2018**. The Fiscal Year 2019 General Operating Support Interim Application may be accessed at artsdel.egrant.net.

Grant Award Notification

After all applications have gone through a grant review process, the Delaware State Arts Council will make funding recommendations for Fiscal Year 2019 to the Division Director at the June 2018 Council meeting. The recommended grant awards will apply to Fiscal Year 2019 only. Applicants will be notified of final funding decisions after July 1, 2018, following the Council meeting and passage of the state budget. For details on the grant review process and appeals procedures, visit the Division of the Arts' [Grant Review Process](#).

Grant Payment Procedures

Grantees will be notified of awards via email, and payments will be issued according to the payment schedule issued with the award notice. Grantees may opt to receive payments through electronic fund transfer (recommended) by updating their information on Delaware's Substitute [W-9 form](#).

Reporting Requirements

Final Reports for FY2019 General Operating Support grants must be submitted to the Division of the Arts by September 30, 2019. Failure to submit a final report on time may result in forfeiture of the final payment (15%) of the grant award and may impact future funding.

Arts Trust Fund recipients are also required to submit a mid-year report, prior to the release of their second grant award payment.

Statement of Assurances

The Statement of Assurances is the contract that all Division grantees must sign. Grant applicants must indicate that their organization's authorizing official has read and agreed to the obligations of grant recipients should a grant be awarded. Receipt of state and federal grants carries with it certain obligations and responsibilities. By submitting a Division of the Arts grant application, applicants are affirming that they are familiar with the requirements of the Delaware Division of the Arts and the National Endowment for the Arts, as presented in the Division of the Arts [Statement of Assurances](#), including but not limited to:
